Thank you for considering hosting an Eat, Drink & Be Generous dinner! These deep-dive conversations are a great way for volunteers to invite their network to learn more about a specific issue that United Way works on, and how we’re supporting the community in the wake of COVID-19. When we’ve put on similar issue-based dinners in the past, success has been rooted in the host’s passion for an issue and willingness to reach out to and engage their professional and personal connections.

**GOAL**
Engage prospective Champion-level donors in intimate conversation around an issue you care about and rebuilding the community in the wake of COVID-19.

**WHAT YOU’RE RESPONSIBLE FOR**
- Choose a date and invite your network (target attendance is 12–18 guests).
- Host in-home or at a venue of your choice, covering all costs (cost would be $4K-$5K).
- Facilitate the conversation with support of a United Way expert.
- At the event, ask your guests to consider making a Champion-level gift ($10K+).

**WHAT UNITED WAY IS RESPONSIBLE FOR**
- Providing an evite for you to send to your network.
- Providing a subject matter expert and supporting you with brief talking points for the evening.
