

FUEL YOUR FUTURE

Connecting kids to nutritious food.

INVESTMENT OPPORTUNITY

Fuel Your Future...because who can learn on an empty stomach?

BACKGROUND

More than 12% of King County students live in poverty. When families are forced to make choices between food on the table or keeping the lights on, kids often go without. Fuel Your Future levels the playing field by increasing access to healthy foods. Our work aims to connect kids to nutritious food—during the school year and beyond. It includes two key components:

SUMMER MEALS

We know that summer time can put an added strain on low-income families whose kids receive free and reduced-price lunches during the school year. To help ease the burden—and bring nutritious options to families near their homes—we provide meals and fun learning activities at more than 125 sites throughout King County each summer. Leveraging untapped federal dollars and a generous grant from *No Kid Hungry*, we make donor dollars go further. Last year we served 530,000 summer meals—making it easy for kids to access nutritious food outside the school year.

BREAKFAST IN SCHOOLS

United Way launched the *Breakfast Challenge* in 2015 to make sure that no kid in our community struggles with hunger. Through this program United Way works to get kids in public schools easy access to school breakfast. Our team of AmeriCorps members help make it easy and fun for kids and families to learn out about healthy food choices as well as making it easier to participate by breaking down barriers. 1,000+ students receive breakfast and after-school supper each day.

FUEL YOUR FUTURE

aims to connect kids to nutritious food—during the school year and beyond. This program offers companies a wide range of partnership opportunities:

INVESTMENT IMPACT

- Provide the community with resources to serve more meals, increase awareness and open more sites throughout King County.
- Help alleviate poverty for 50,000 families in King County.
- The Social Innovation Fund will match your investment dollar for dollar.

EMPLOYEE ENGAGEMENT

- Volunteer at participating schools or summer meal sites.

BRAND LIFT

- By sponsoring Fuel Your Future, you signal to the community that your company is motivated in addressing and preventing childhood hunger in King County.
- Your company will receive significant recognition in advertising and outreach materials and will be highlighted at all school and summer meal sites.

United Way of King County
